RE: NOTIFICATION OF FIREWORKS FOR EAGLE FUN DAYS

The City of Eagle is pleased to announce the return of the Fireworks Spectacular Show on Saturday, July 9, 2016 concluding the Eagle Fun Days celebration. The show begins at approximately 10:30 pm and can be viewed from any City park. Please note that sounds associated with fireworks may create stress to some individuals, as well as be frightening to animals. The public is encouraged to take necessary precautions to relieve strain and stress they might possibly encounter, and make this event pleasant and safe for all to enjoy!

Here are some tips to keep your pet safe:

- Make sure your dog or cat always has somewhere to hide if he or she wants to and has access to this place at all times. For example, this could be under some furniture or in a cupboard.
- At nightfall close windows and curtains and put on music to mask and muffle the sound of fireworks.
- Make sure your cat or dog is always kept in a safe and secure environment and can't escape if there's a sudden noise. Have your pet microchipped in case they do escape.
- The City requires all dogs to be licensed with a City issued license.

Have a happy and safe Eagle Fun Days! We hope to see you there!
