Please tell us about your background or experiences that may help you as an Association Board Member.

I am a retired Chief Financial Officer with 35+ years of experience in the aerospace industry where I have

extensive experience working with and being on Boards for multiple public and private companies.

I have also served on the Board of a private golf club at our previous residence.

How do you feel that you can help the Association by serving on the Board?

I have always believed that success comes from teamwork and I look forward to working with the current

Board to keep Banbury as the jewel of the Treasure Valley. As with all organizations, there are always things

that can be improved and I would enjoy providing a fresh perspective to any issues that may arise.

What is your perception of the duties involved with serving on an Association Board?

All residents have made a substantial investment into Banbury by choosing to buy a home here. A significant

purpose of a well functioning Board is to protect and increase property values. This is accomplished through

having reasonable rules and setting realistic expectations for the community in addition to taking care of all

common areas and services (e.g. irrigation water) in a financially responsible manner.

I affirm that I will uphold and fulfill all duties and responsibilities as established and set forth in the Bylaws and the Declaration of Covenants, Conditions, Restrictions, and Easements for Banbury Meadows Homeowner's Association, Inc.

I certify that I am a member of the HOA in good standing.
